

LEDBURY PRIMARY SCHOOL

This week at LPS

Sorting Hat

All of the Y1 children and our new children experienced the sorting hat this week, and found out if they are a Kite, Kestrel, Eagle or Buzzard!

Children's Assembly

Olly and Joseph led a fantastic assembly this week all about how to look after our environment.

They made us think about recycling and have challenged each year group to keep one area of school looking lovely and free of litter and weeds.

Can you help us?

We would like some resources for our KS1 playground home corner and shop area. If you have any of the following and can donate to school, we would be very grateful!

- pinecones
- conkers
- muffin tins
- baskets
- metal saucepans and utensils
- bottle tops
- shells
- corks
- large plastic jars

Y5 POETRY

Y5 enjoyed a fantastic day, rearranged from last year, by the poetry festival.

"We walked to St Katherine's Hall, where we met the poets and children from other schools.

We walked to the walled gardens too practise our poems and then performed for our parents. After lunch we held signs and chanted, through the town and back to the walled gardens. We chanted "uniforms in the bin, You tube, Tiktok for the win!" by Alex, Asa and Brooke.

Thank you to the poetry festival for organising these wonderful events for us.

MUSIC ON THE MOVE

We were delighted to welcome 'Music on the Move' this week where we were treated to many different instruments including the double bass, trombone and flute!

At the moment you are able to pay for individual lessons in piano, guitar, cello and drums. If there is enough interest in other music lessons, such as flute or violin, then we may be able to find a teacher to come into schools.

If you would like music lessons for your child, please contact the school office. If your child is eligible for free school meals, you can apply for a bursary [by clicking here.](#)
