Antibullying

We are undertaking the United Against Bullying programme to audit and strengthen our approach to antibullying across the school.

As part of this work, we would really value parents' views and ask you to complete the questionnaire. Your feedback will help us understand what is working well and identify any areas where we can further develop our practice, ensuring that every child feels safe, included and supported.

We will also be marking Odd Socks Day on 16th November, celebrating the individuality of every member of our school community and reinforcing our shared commitment to kindness and respect.
