

Ledbury Primary School

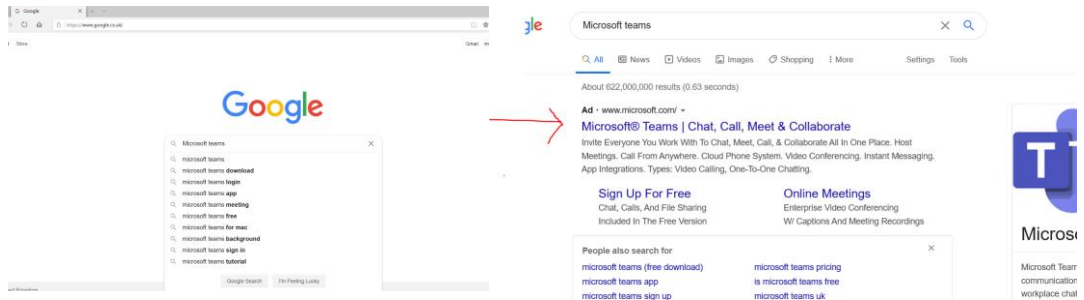

Using Microsoft Teams

Getting started

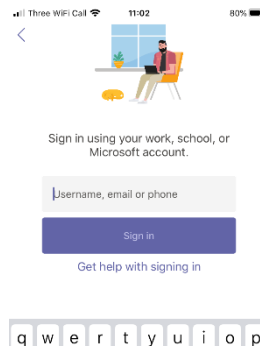

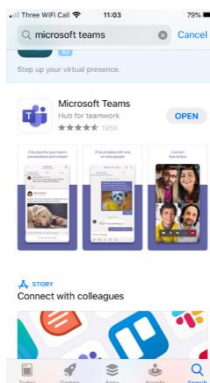

Using a laptop

Go to internet explorer or google chrome and type in 'Microsoft Teams'. Click on the link.

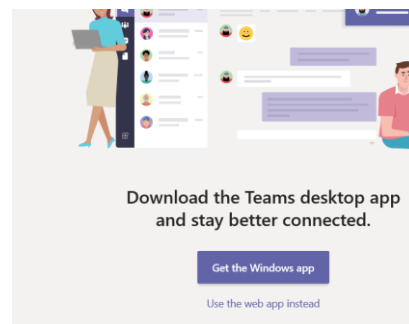

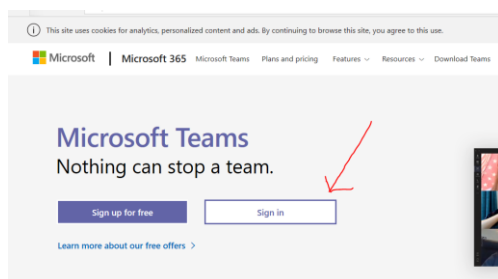

Using a tablet or phone

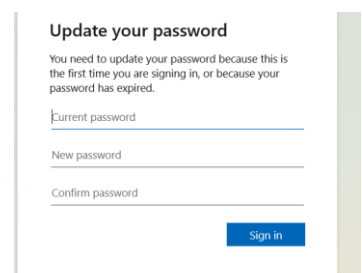

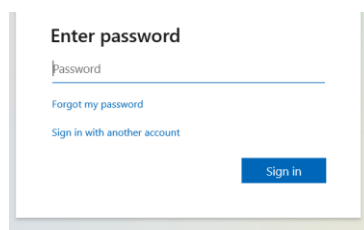

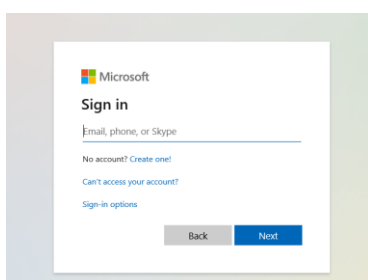

Go to the app store and download Microsoft Teams and Microsoft word (both free)

Choose sign in. On a laptop you can choose either the windows app or the web app.

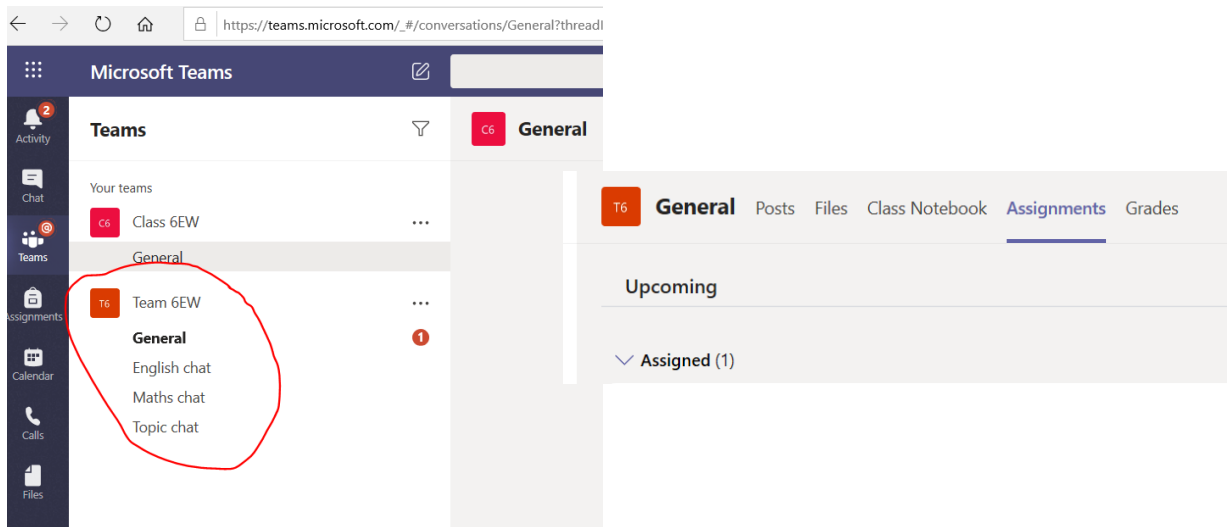

Enter your child's school email and password. The first time you will also need to create a new password.

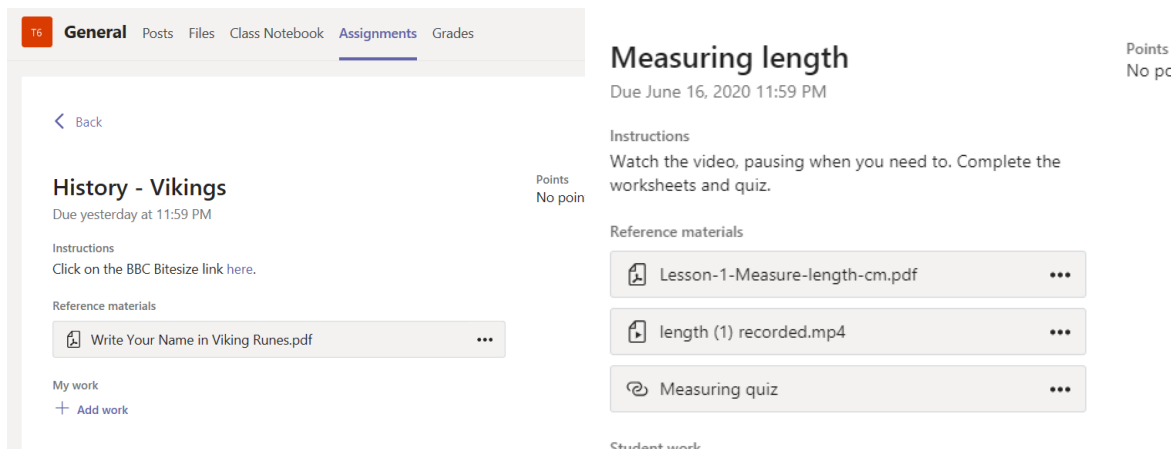

Where to look

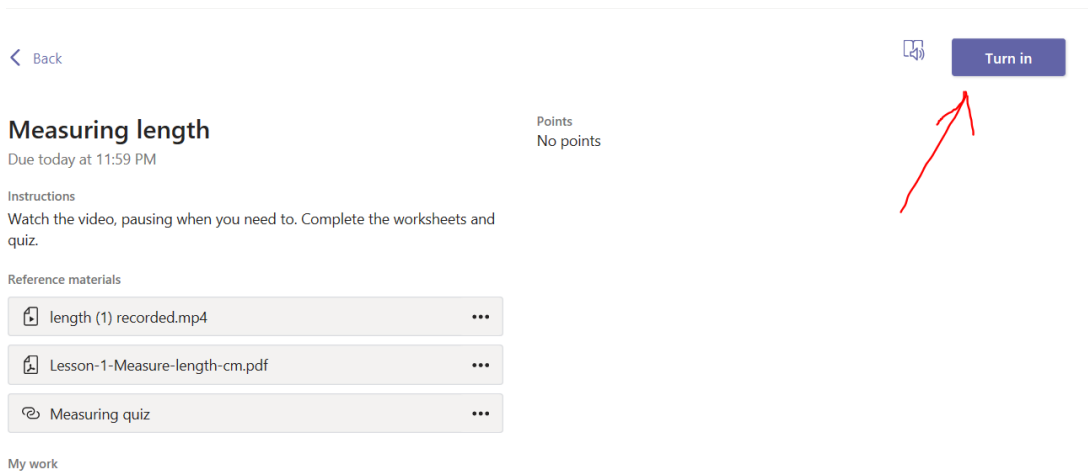

Your child will have been assigned to 2 teams- Class____ and Team____. You will need to look in the Team group. Click on ‘General’ then go the ‘Assignments’ tab to find the work.

Click on an assignment to view any links and documents.

When you have finished click on the ‘turn in’ button.

Word Documents

Sometimes the teachers will set you work that can be completed online. Click on the document
