

Remote Learning at Ledbury Primary School

This plan outlines the three types of Remote Learning which will be offered to children if their learning is disrupted by Covid between September 2021 – July 2022. It is not anticipated that there will be a return to whole school closures nationally and class closures will be a last resort (see Covid Contingency Plan Sept 2021). However, it is likely that some children will have to miss school because they have asymptomatic Covid. It is also possible that, should there be a major Covid outbreak within school, whole classes may have to move to home learning for 10 school days. If your child is ill with Covid, or any other illness, they won't be expected to complete any home learning.

There are three different types of home learning available:

	Type of Remote Learning		
	Individual Isolation 	Whole Class Bubble Closure 	Whole School Lockdown Closure 
Who is this for?	This is for individual children who can't attend school because they have Covid, but don't have symptoms so can continue to access learning at home during isolation.	This is for whole classes who have been moved to remote learning for 10 school days because there has been a significant outbreak which continues to spread.	It is not expected that there will be a need to close the whole school as a result of Covid. However, should this be necessary, then this home learning will be provided.
How will the learning be structured?	As the teacher will still be teaching the rest of the class in school, and as we have ensured that all children have a digital device to access live lessons, the teacher will provide: - Twice daily registrations and a story - Access to live teaching via a video link so that the child can participate in the class learning at the same time as their peers in reading, writing and maths lessons (although we will endeavour to provide live learning for other subjects too). - Supporting activities will be available on Microsoft Teams.	As the whole class will be working from home, the teacher will teach the curriculum via a live video link with the support of Microsoft Teams. It will include daily Reading, Writing and Maths teaching: - Twice daily registrations and a story - Live teaching (via Video Calls) - Video tutorials led by Oak Academy or White Rose - Daily Live (video Call) feedback sessions	As the whole school will be working from home, the teachers will teach the curriculum via a live video link with the support of Microsoft Teams. It will include daily Reading, Writing and Maths teaching: - Twice daily registrations and a story - Live teaching (via Video Calls) - Video tutorials led by Oak Academy or White Rose - Daily Live (video Call) feedback sessions
How will my child access the work?	The teacher will email the class with a zoom invitation to attend the registrations. Work will be set on Microsoft Teams.	The teacher will email the class with a zoom invitation to attend the registrations.	The teacher will email the class with a zoom invitation to attend the registrations.
Please note if you require a computer device, contact the school office immediately.	The White Rose Booklets will be available for maths and each child will be issued with a blank book for English. All work will be available on MTs. Children who are ill with Covid will not be expected to complete home learning.	The White Rose Booklets will be available for maths and each child will be issued with a blank book for English. All work will be available on MTs. All work will be available on MTs. Children who are ill with Covid will not be expected to complete home learning.

What will the work include?	- Daily 'registration' live video call with the whole class (15mins). - Access to live teaching and activities to do at home via MTs.	- Daily 'registration' live video call with the whole class (15mins). - Daily teacher-led Reading & activities - Daily teacher-led Writing teaching video & activities (1hour). - Daily teacher-led Maths teaching video & activities (1hour). - Daily Independent reading (20mins). - Daily Maths / TTRS practice (20mins). - Topic focus via MTs or live lessons	- Daily 'registration' live video call with the whole class (15mins). - Daily teacher-led Reading & activities - Daily teacher-led Writing teaching video & activities (1hour). - Daily teacher-led Maths teaching video & activities (1hour). - Daily Independent reading (20mins). - Daily Maths / TTRS practice (20mins). - Topic focus via MTs or live lessons
How will the teacher keep in touch with my child?	As this will be a short absence of 10 days, the teacher will email the parent to check that they understand the home learning and be available via email to respond to any queries at the end of the day. A staff member will phone parents of children with Special Educational Needs or other vulnerabilities. Children with an EHCP will be supported in home learning through contact with their one-to-one TA.	The teacher will 'check-in' with all the children every day via the twice daily registration video call. Learning Support Assistants/ Teaching Assistants will complete individual video calls to hear children read if they are behind in this. Children with an EHCP will be supported in home learning through contact with their one-to-one TA.	The teacher will 'check-in' with all the children every day via the daily registration video call. Learning Support Assistants/ Teaching Assistants will complete individual video calls to hear children read if they are behind in this. Children with an EHCP will be supported in home learning through contact with their one-to-one TA, although most children with an EHCP will have a place in school.
Will there be direct teaching or feedback?	Yes, via live lessons on zoom and MTs.	Yes – the teacher will provide this every day Teaching Assistants will provide individual feedback on reading, phonics and specific SEND support.	Yes – the teacher will provide this every day Teaching Assistants will provide individual feedback on reading, phonics and specific SEND support.
What resources will my child need?	Access to the internet via a laptop or tablet. <i>School can loan these to families if children have limited access to these at home.</i>	Access to the internet via a laptop or tablet. <i>School can loan these to families if children have limited access to these at home.</i>	Access to the internet via a laptop or tablet. <i>School can provide these for families where families have limited access to these at home*.</i> Reading scheme books are available to be changed weekly.

Full Lockdown Closure timetable & indicative Class Closure Timetable:

	EYFS	KS1	KS2
8.40-9.00	Zoom registration Introduction to the day's lessons Phonics lesson	Zoom registration Introduction to the day's lessons Phonics lesson	Zoom registration Introduction to the day's lessons
9.15-10.15	Children have time to complete Literacy and Maths lessons set on Tapestry at their own leisure. Lessons include teaching videos from staff and activities to be completed with an adult. Lessons are available from 6pm the previous evening to allow parents to prepare and complete at a time that suits them	Live Maths lesson via zoom (or White Rose video available)	Live Maths lesson via zoom (or White Rose video available)
11.00-12.00		Live English lesson via zoom	Live English lesson via zoom
1.00-1.20	Zoom registration Storytime		
1.30-2.30	Topic lesson Pre-recorded lessons are available to complete	Topic lesson (either live or pre-recorded)	Topic lesson (either live or pre-recorded)

Zoom drop in sessions are available throughout the day for 1:1 support.

'LIVE' HOME LEARNING VIA VIDEO CALLS WILL NOT TAKE PLACE ON FRIDAY AFTERNOONS AS THIS ALLOWS TEACHING STAFF TO LIAISE WITH ONE ANOTHER AND PLAN THE FOLLOWING WEEK'S WORK.
