

Computer and iPad Phonics Links/Games for Parents

Target Sounds: a-e, i-e, o-e, u-e, ea, ai, oa, ew, oi, ire, ear, er, aw, ow
(brown), ure, are, ur

Phonics Play www.phonicsplay.co.uk	Only some games are free before you have to subscribe. You should select Phase 5 and select the sound that your child needs to focus on. The main games are: • Buried Treasure • Dragon's Den • Obb and Bob • Pick a Picture (sound out the word or recognise the initial letter sound and select the correct picture to match).
ICT Games http://www.ictgames.com/literacy.html (Cannot be accessed through iPads unless Photon app is installed. The Photon app charges to download).	All of these games are free on this website and are fun and interactive phonics games which can support phoneme recognition, segmenting and blending in a fun way. • Forest Phonics-limited version • Blending Dragon • The Dinosaur's Eggs. • Poop Deck Pirates
