

LEDBURY PRIMARY SCHOOL

This week at LPS

Welcome to Nursery and Reception!

Welcome to our new children and their families. We are delighted with how well our new Nursery and Reception children have settled into school life. They have quickly adapted to new routines, made friends, and are already showing great enthusiasm for learning and exploring. It has been wonderful to see their confidence growing each day, and we are so proud of the happy, positive start they have made to their school journey.

PTA AGM

Thanks to all who came to the PTA AGM. Huge thanks go to our outgoing Chairs Donna and Hils for their hard work and dedication. Thank you to our new officers for stepping forwards- Karen, Jade, Charnee and Mel.

Children's assemblies

This week saw the start of our assemblies planned, designed and led by the children! Evie and Ariadne talked to the children about Values, and challenged them to think of which value was important, and why.

If your child would like to lead an assembly, please ask for a slip from the front office. Presentations can be created at home or school, and Mrs Ussher will support the children.

VALUE OF THE MONTH

BE RESILIENT

VR EXPERIENCE

Step into the past without leaving the classroom! Our history virtual reality experiences have transported students straight into the world of the Vikings, Ancient Egyptians, and even the Stone Age. Instead of simply reading about longships, pyramids, or early tools, pupils have been able to explore them as if they were really there—rowing alongside Viking warriors, walking through bustling Egyptian markets, and seeing how Stone Age people hunted and built their homes. These immersive adventures have sparked curiosity, made learning unforgettable, and truly brought history to life in an exciting new way. Y4 have experience The Vikings, Y5 The Egyptians and Y6 The Stone Age.
