

LEDBURY PRIMARY SCHOOL

This week at LPS

Phonics parent workshop

Thank you to all who came to find out more about phonics and supporting your child with their reading. I know so many of you said how useful it was to listen to the information and then see it in practice with your children in the classroom. There is lots more information on our website and also on the RWI website.

Children's assemblies

This week Nate led an assembly all about Kingsquare. His friends helped by making video clips of how to play! Thanks for reminding us of the rules, Nate.

Naturalist Visit

On Friday we had a visit from Tim Kaye a Naturalist. He taught us about local flora and fauna, and explained the difference between vertebrates and invertebrates. We looked at animal skulls and went bug hunting

“I loved holding the cat skulls as I’ve never seen one before” - Ella

“The bird wings were weird yet very soft to touch” - Grace

“ I loved exploring forest school with bug nets” - Woody

“Letting the bugs go free felt good, although it did make us scream!” - Charlotte
