

LEDBURY PRIMARY SCHOOL

This week at LPS

Maths competition

Four of our Year 6 students took part in an exciting Maths Challenge event at The Downs School in Colwall, competing in a range of engaging and challenging mathematical activities. Working in mixed teams with pupils from other schools, they showed fantastic resilience, teamwork, and determination throughout the day. Their hard work truly paid off, with our students achieving an impressive second and third place in the final results. We are incredibly proud of them-what an amazing achievement!

Reading workshop

Another great turn out for our reading workshop!
The next one is for KS2 on 2nd December.

Dyslexia

On Monday in assembly we learnt all about dyslexia. Did you know all of these famous people had dyslexia? We learnt that people with dyslexia are great creative thinkers and problem solvers.

Find out more by [watching this video](#).

Children's assembly

Kamila and Amelia delighted us with an assembly all about art this week. We loved seeing a range of art on display and thinking about all that art gives to us.
