STEM WORKSHOP

STEM workshop

On Monday, 8 children from Y5 took part in an exciting STEM workshop at Malvern St James School. Alongside a number of other local schools, the children worked in teams to design and create a working model to address an engineering context using traditional modelling materials, knowledge of pneumatics and mechanical systems. It was a fantastic opportunity for the children to explore, innovate and solve problems together. We were very proud of their resilience, determination and fantastic teamwork.

Comic Relief 2026

"On a roll"

BBC RADIO
HEREFORD & WORCESTER

Friday 20th March

**COMIC
RELIEF**

We are going to be visited by BBC Hereford & Worcester, who will be rolling a giant red nose all the way from Worcester Cathedral to Hereford Cathedral as part of their Comic Relief challenge. We can't wait to be part of the excitement and link our fundraising efforts to this fantastic local event.

- Throughout the day, the children will take part in a range of fun "rolling" challenges.

- Children can wear a 'rolling' themed outfit- sausage roll, a dice, a marble, a wheel, a Swiss roll, a skateboarder, a boulder... or anything else that fits the theme. Alternatively, children are very welcome to wear a Comic Relief top with non-uniform, or simply something red.

- Donations in cash on the day or via Parent Pay, all for Comic Relief
