There are still a few places available in some clubs- please contact the school office if your child would like to join.

BLUE PETER EARTHSHOT COMPETITION

Blue Peter is giving you the amazing opportunity to become the next generation of young inventors, problem solvers and change makers and be recognised by His Royal Highness, Prince William's prestigious Earthshot Prize. The Earthshot Prize has identified five important areas that need your help: Fix our Climate, Protect and Restore Nature, Clean our Air, Revive our Oceans and Build a Waste-free World. Find out more about these important areas on Blue Peter over the next few weeks.

To enter The Blue Peter Earthshot Competition we want you to come up with your own original idea to address at least one of these areas. All you have to do is write down your idea in 200 words or less; describe what it looks like, how it can be used and what benefit it could bring to the planet. Your idea should be accompanied by a drawing or poster to really bring it to life.

The five winners will each attend a VIP filming experience with Blue Peter and receive a winner's certificate from the Earthshot Prize and HRH The Prince of Wales. You will also receive a copy of the Earthshot book "A Handbook for Dreamers and Thinkers, Solutions to Repair our Planet" and an orange competition winner's badge.

To enter the Competition entrants must:

- Write down your planet helping idea in no more than 200 words.
- Create a drawing or poster to further explain your idea and show us what it might look like.
- Tell us which of the five Earthshot categories you think your solution could help (you can choose more than one).
- Fill in your details and [upload your entry with the online form](#), or [download and print the postal entry form](#), fill it in, send to us.
- Have parent/guardian's permission to enter the Competition.

Sing together!

Do you love the uplifting feeling you get from singing with other people?

Why not try St. Michael's Church Choir in Ledbury?

We are aged 6 to 82 and sing everything from traditional hymns and carols to contemporary worship songs. The choir is open to those with no experience (but a willingness to learn) as well as experienced part singers.

We meet and sing for two Sunday services a month with the opportunity to take part in extra events such as Remembrance Sunday, Carol Services, Easter performances, occasional weddings and funerals or even full Choral Evensong.

This is a lovely way to meet new people, make new friends and be part of a community. Families can sing together, and we have Sunday School helpers to teach children for part of each service.
