

LEDBURY PRIMARY SCHOOL

This week at LPS

Year 1 Wassailing.

Year 1 didn't let the cold weather affect them when they went wassailing in forest school! They made lots of noise, danced and sang special songs to the apple and pear trees to 'wake them up' and ensure they give us fruit this year. They even dressed up as a wassail horse and enjoyed some warm apple juice when they had finished.

Spring Term

Our focus for the curriculum and are topics this term all fall under Geography. Below you can see the range of topics children will be learning about. We would love to invite any Grandparents visiting on 20th to bring in and postcards, photos or souvenirs from places they have visited to share with the children.

EYFS	How is Ledbury like other countries in the world?
Year 1	How is weather made, and what are clouds?
Year 2	What is our responsibility to the coastal environment in building a better future?
Year 3	How does the rainforest affect us and what can we do to protect it?
Year 4	What do we have in common?
Year 5	Has humankind created more water than it can cope with?
Year 6	Does humankind have dominion over Earth?

An update on

WELLBEING FOR SCHOOL PARENTS

From inourplace.co.uk

An NHS learning space developed by psychologists

January 2025

inourplace is funded in your area to provide your family with free access to expert learning about childhood development, wellbeing, brain changes, and much more to help you to connect with your children and make sure they thrive.

Here's a quick round up of what we think is great on [inourplace](https://inourplace.co.uk) this month.
