

LEDBURY PRIMARY SCHOOL

This week at LPS

Harvest

Many thanks for all the contributions for our Harvest Celebrations and for coming together to celebrate Harvest with us.

Particular thanks to Olly in Y3 for bringing the enormous pumpkins, and former pupil Abi for the huge contribution of home grown vegetables. We will be distributing the foods between St Michael's Hospice and Ledbury Food Bank.

VALUE OF THE MONTH

BE RESILIENT

Y6 maths workshops

On Tuesday 10th October, parents and their children gathered together either on zoom or in person at school. Mrs Cole and Miss Williams worked through examples of how the children are taught to complete multiplication and division questions in school so that parents can support their children in these areas at home. We had a fantastic turn out with positive feedback from parents and look forward to holding another session for those parents who were unable to join us this time.

Parental support is vital - in year 6 as much as any other year, and it was wonderful to see so many parents and children learning together. Thank you to all parents who took the time to join us with their children on Tuesday.

Times tables fluency makes maths so much easier- don't forget we subscribe to TTRockstars for every child. Ask your classteacher if you need a log in.

SPOTLIGHT ON...

MENTAL HEALTH

World Mental Health Day Tuesday 10th October

This week we thought about having good mental health and the strategies we can utilise to help us.

In class we tried a range of activities including mindfulness, dancing, getting outside and yoga.

Maybe try some of the conversations starters below with your children.

Click on the links below for advice and support.

Improving
children's mental
health

Conversation Starters

Talking to your child about how they're feeling can be tough, especially if you're concerned that they're having a hard time. You might not know what to say, or feel worried about how your child will react. It doesn't matter what topic the conversation starts with – it's about the opportunity it gives you to talk about feelings and provide comfort.

Whilst the activity is underway, what's the best way to encourage your child to open up? Have a look at some of our conversation starters.

Here are some things you could ask to get the conversation started:

What was the best bit of your day?
What was the worst bit of your day?
What did you do today that made you proud?
How are you feeling?
What would you like to talk about?

If your child is having a hard time, you can try to find out how they'd like to be supported by asking gentle questions like:

How can I support you through this?
Do you want to talk about what's going on?
Is there anything you need from me? Space, time to talk, time to do something fun?
What was the biggest problem you had today? What helped?

Ledbury Primary School 2023-24

September

11th- Meet the teacher Y1 & 2
12th- Meet the teacher Y3 & 4
14th- Meet the teacher Y5 & 6
29th- Macmillan coffee morning

October
