Hockey matches

On Monday, 2 teams went to Ashperton school to play 3 hockey games each. Team 1 played Ashperton for their first game whilst Team 2 were up against a strong Eastnor side. Team 1 comfortably won their game 4-0 but Team 2 suffered a 2-1 loss despite battling hard! The next game saw both Ledbury teams battle it out against each other!! Amazing skills were shown by all and the game ended 1-1 (phew!). Team 2 were keen to get a win under their belts so began with determination and won their final game 2-1 vs Ashperton. Team 1 couldn't quite get the win against Eastnor and finished with a 3-1 defeat. Overall, both teams played really well and loved the opportunity. We hope to have some more games after Christmas.

House Captains Decorate Deer Park Care Home

On Thursday, the House and Vice Captains walked to Deer Park Care Home so that we could help the elderly people living there decorate some Christmas trees. Each House had their own tree to decorate and there was a competition to see which tree was judged the best by the residents. Whilst we were there, we talked to a group of the residents and got to know some of them. Kestrels had a helping hand from one lady from the care home because they could not reach the top! Buzzards were crowned the Christmas tree champions so won a giant chocolate coin and each of the other Houses got at least 1 vote as well as a chocolate lolly. We all had a great time.

School Council planting at St Michael's

The School Council walked up to St Michael's Church to plant bulbs and flowers in containers in front of the church. Mary Ann Keyes greeted us and provided us with the resources to do it. She also gave us shortbread and warm orange squash to fight off the cold! We left feeling like expert gardeners.

Science ambassadors demonstrate experiments

Click on the links below for great experiments to try at home.

Ledbury Primary School's Science Show was a success thanks to our Science Ambassadors.

Many stalls were held bearing all kinds of mind-blowing experiments with scientific reasons behind every 'wow'. Many were interactive, and all were a bit messy!

But we really couldn't have done it without you all. Yes, the people who came to see the stalls- you gave us the extra boost.

All of these experiments you could try at home. If you wish to do it for yourself look on the links on this page.

(Note to parents- if you do the skittles experiment and go to make a cup of tea, then be warned- there will be no skittles left when you get back!

Good luck!

Peyton and Lux Y5
