

LEDBURY PRIMARY SCHOOL

This week at LPS

Science Homework

Thank you to everyone who took part in the science homework challenge over the Christmas Holidays. We were so impressed with the range of knowledge presented. Here is a selection of the work produced.

VALUE OF THE MONTH

BE RESPONSIBLE

24 GAME

KS2 Competition

This week Y4, 5 and 6 took part in a 24 competition.

Mrs Cole started off by telling everyone what to do. People finished each challenge and handed it to Mrs Cole. When 3 teams got it correct, the next round started- there were 13 rounds in total!

By Phobe G Y6

The 24 game is a simple game that can become challenging. The rules are easy to understand:

Object of the game: Make the number 24 from the four numbers shown. You can add, subtract, multiply and divide. Use all four numbers on the card, but use each number only once. You do not have to use all four operations.

Find out [more about the game here](#), or even play an online version by clicking on the image below.

SPOTLIGHT ON...

GRANDPARENT'S MORNING

Today we welcomed over 100 grandparents to spend the morning with us. Grandparents took part in a range of lessons with their grandchildren from electricity circuits to programming Beebots to tricky maths problems. They were also treated to a selection of songs from the Young Voices choir.

If any Grandparents would be interested in volunteering in school on a regular basis- perhaps listening to children read- please get in touch with the school office.

The poster has a dark blue background decorated with various colored LEGO bricks (green, blue, orange, red) scattered around the edges. A central white rectangular box contains the text. The word 'LEGO' is in a bold, dark blue font and is partially covered by a yellow rectangular block. Below it, the word 'COMPETITION' is in a larger, bold, dark blue font.

LEGO COMPETITION

**Tuesday 20th February
4.30-5.30**

Teams of up to 4 children / adults
£5 per team

Bring your own lego.

There will be 3 challenges over the
hour to be judged by Junior PTA.
Winner & runner up prize for each
challenge!

Parent/Carer Autism Online Workshops

Whether your child is awaiting a diagnosis or has already been diagnosed, these workshops are a great opportunity to learn more about Autism & ask questions within a supportive group of other parents & carers.

- **Monday 5th February - An introduction to Autism**
An opportunity to explore what Autism is, the many strengths and the differences that make each child so wonderfully unique.
- **Monday 12th February - Communication**
Identifying what communication is and the different communication methods that may be helpful for Autistic children.
- **Monday 19th February - Sensory Processing**
Explaining the 8 sensory systems, how the environment can impact on a child with sensory processing differences/challenges and strategies to meet an individual's sensory needs.
- **Monday 26th February - Pathological Demand Avoidance**
A look into the interesting subject of PDA, how this may present and what is the best approach to take to avoid conflict.

Workshops will be held 7:30-8:30pm via Zoom.

£25 per workshop for each family.
