

LEDBURY PRIMARY SCHOOL

This week at LPS

Year 5 Geography work

We were so impressed this week with the quality of work and presentation from Year 5 all about biomes. Ellie and Pippie's excellent examples are below.

Bikeability Y6

"Bikeability is the government's national cycle training programme. It helps children learn practical skills and understand how to cycle on today's roads. Bikeability gives everyone the confidence to cycle and enjoy this skill for life."

Many thanks to our wonderful instructors who have been in school this week, Y6 have really enjoyed developing their cycling skills.

SPOTLIGHT ON...

CHILDREN'S MENTAL HEALTH

Next week, 5th Feb is Place 2 Be's Children's Mental Health Week.

At LPS the mental health of everyone in our community is really important to us. This new year we are bringing a greater focus to mental wellbeing in school. One of the ways we are doing this is by linking a thought and activity with each of our monthly values. This month we are thinking about the ways we can 'Be Kind' to ourselves and promote positive self-talk though listening to positive affirmations.

Here are some of the thoughts from some of our year 5 pupils this week:

- Mental health is about your thoughts and emotions on the inside
- If you're feeling down it can affect the way you think and act
- It's good to talk to yourself positively
- It's important to keep your brain fit and healthy
- Keeping you body healthy helps your mental health too!

If you would like to support your child at home, there is lots of helpful information on the Place 2 Be website and you may find the following links to positive affirmation resources useful.

This a link to [youtube affirmations](#).

These are the [printable affirmation cards](#) we use in class.

In addition, there are some courses funded by Herefordshire Council by clicking on the 'in our place' link below. Use the code APPLEHERE to access them for free.

LEDBURY PRIMARY SCHOOL
