

LEDBURY PRIMARY SCHOOL

This week at LPS

Lego Competition

Thank you to all who attended the Lego Competition on Tuesday. We were so impressed with the creativity shown in all of the challenges. Here's what the challenges consisted of:

1: Build a robot (10mins)

2: Build a vehicle (10mins)

3: Build a famous landmark or building (15mins)

There were Lego annuals and minifigures as prizes, as well as the tuck shop open. Thank you to Jacob and Riley from our Junior PTA for judging the winners and to Mason and Tai for coming up with the idea in the first place.

WORLD BOOK DAY BOOKSHOP VISITS

WORLD
BOOK
DAY

All of our classes have walked up into the town this week to choose a free book from the World Book Day selection. Our Y6 took our Reception children, holding hands all the way and helping them to make their choices. Thank you to The Three Counties Bookshop and Ladbury Books and Maps for allowing us to visit.

SPOTLIGHT ON...

GEOGRAPHY

Click here for the
website link

Geography

Geography is the study of people, places, landscapes and the environment. Our Spring Term topics are centered around Geographical learning as follows:

EYFS	How is Ledbury like other countries in the world? Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps Explain some similarities and differences between life in this country and life in other countries drawing on knowledge from stories, non-fiction texts and – when appropriate – maps.
Year 1	How is weather made, and what are clouds? - Investigate the world's continents and oceans. - Explore weather in the United Kingdom and around the world.
Year 2	What is our responsibility to the coastal environment in building a better future? - Investigate the world's continents and oceans. - Compare and contrast a small area of the United Kingdom with that of a non-European country. - Explore weather in the United Kingdom and around the world.
Year 3	How does the rainforest affect us and what can we do to protect it? - Locate the world's countries, with focus on South America and countries of particular interest to pupils. - Understand geographical similarities and differences through the study of the human and physical geography of a region or area within South America.
Year 4	What do we have in common? - Locate the world's countries, with focus on the United Kingdom and North America and countries of particular interest to pupils. - Understand geographical similarities and differences through the study of the human and physical geography of a region or area of the United Kingdom and a region or area within North America.
Year 5	Has humankind created more water than it can cope with? - Locate the world's countries, with a focus on Europe and countries of particular interest to pupils. - Understand geographical similarities and differences through the study of human and physical geography of a region or area in a European country (Greece). - Describe and understand key aspects of physical geography, including: climate zones, biomes and vegetation belts, rivers and the water cycle - Describe and understand key aspects of human geography, including: settlements, land use, economic activity including trade links and the distribution of natural resources including energy, food, minerals and water supplies.
Year 6	Does humankind have dominion over Earth? - Locate the geographic zones of the world. - Understand the significance of the geographic zones of the world. - Describe and understand key aspects of physical geography, including: mountains, volcanoes and earthquakes. - Describe and understand key aspects of human geography, including: settlements - Use the eight points of a compass, four and six-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world

The poster features a light cream background decorated with several donuts and small yellow flowers. The donuts are arranged around the central text: one at the top center (brown glaze, white sprinkles), one at the top left (orange glaze, white and purple drizzle), one at the top right (orange glaze, pink and white drizzle), one on the middle left (orange glaze, purple and black sprinkles), one on the middle right (pink glaze, black sprinkles), one at the bottom left (pink glaze, white and purple drizzle), and one at the bottom right (brown glaze, white and yellow drizzle). Small yellow flowers are scattered throughout the background.
