Chicks in Reception

Reception enjoyed a visit from Evie's mum and some chicks last Friday. The four little chicks were very well behaved, (considering they were only 10days old) they let us stroke them and pick them up too! We asked lots of questions and found out what chicks eat, and that they hatch from eggs. We were all very calm and gentle with the chicks, to make sure we didn't scare them. Than you so much, Evie's mum, it was a lovely experience.

Staffing update

Today we have said 'Good Luck!' to Annie in Little Sparrows as she begins her maternity leave. Sian will be the room leader in that room until Annie returns. Additionally Laura is now the room leader in the pre-school room, both working under the direction of the Nursery teachers Emma and Andrea.

MUSIC LESSONS

A recorder for everyone!

Every child from year 1 to year 5 was presented with their own recorder today in an effort to raise the profile of music across the school. Mr Banks, our music lead, has been working hard to encourage children to take an interest in music through daily music appreciation time and a weekly music lesson for all children. The recorders will be kept in school for the children to use in their music sessions and will be taken with them to their next class in September. We hope that experiencing playing the recorder will give children a new interest in music. At Ladbury, we offer individual lessons in drums, piano, guitar, cello, violin, ukulele, double bass clarinet and flute. If your child is interested in learning one of these instruments, please contact the office.
