Community Litter Pick

We were so proud to hear that Immy and Emily in Y4 decided to do a litter pick around school at the weekend.

Great care and responsibility shown, thank you!

Maths 24 competition

A team of four Y6 took part in a Maths 24 competition today. They were amazing and finished top of their group. They then went on to play for the 'Trophy', finishing as the overall winners in this competition.

Fundraising

Our school strongly believes in fostering positive relationships within the local community. We recognise the importance of collaboration and the benefits that it brings to our children and the community as a whole. We actively seek opportunities to engage with local community organisations, businesses and the residents to create a meaningful partnership, collaborating with the community, we aim to enrich our children's educational experiences by offering real-world learning opportunities, mentorship programs and community service initiatives. CRICKET

We had a great time at the Girls Cricket Tournament on Tuesday. We won our first match against Withington. Our second match was against Weobly. Our fielding, batting and bowling was really good and we won again! Unfortunately we lost our next match against St Michael's 51-41. Our fourth match was against Trinity and we showed great sportsmanship. We were very excited and kind to each other. Our teamwork meant we finished second and put us through to the semi-finals.

In the semi-finals we played Weobly again. Sadly this time we lost 49-39 but we were still very proud of each other. St Michael's played Weobly in the finals with St Michael's the overall winners. We had an amazing time even though we lost- it's one to remember!

This week a team of Y4 also participated in a cricket tournament. Mr Bragg was extremely proud of the team who improved greatly during the day.

We had good fun playing against Eardisley, Staunton and other teams. Most of us hadn't played before but it was extremely fun! I think more people should go! We won our final game against Staunton. The team was Riley, Reggie, Arthur, Angel, Larysa, Troy, Emily and Max.

Have a Heart for Lee

Hello. My name is Willow, I live in Ledbury and I am 9 years old.

My friend Lee is 51 years old and he has had two heart attacks and nearly died.

Worcester cardiac unit saved his life twice and now I want to raise as much money for the Worcestershire Acute Hospitals Charity as I can, by holding a 'fun for all ages' family day on Sunday 21st July at The Talbot Hotel, Ledbury.

Will you help me by asking your families to come along with you on the day to support us? We have some amazing prizes to win, games, quiz, face-painting, craft, music, sweets, pizza, cakes, ice cream, shire horses and wet sponges to throw at adults!

We especially need as many children as possible to attend on the day to decorate a heart to be displayed in a big frame in the hospital, to let patients recovering know that they are surrounded by hearts, love and support.

Please try to come along. I am autistic and very anxious in noisy crowds but I'm determined to do it so that everyone has a great day and we make the lives of poorly people just a little bit better.

Thank you 😊.
Love from,
Willow x
