

LEDBURY PRIMARY SCHOOL

This week at LPS

Nursery visit from Halo

Big thanks to the team from Halo Leisure who came to visit Little Wrens this week to teach us all about water safety. Now we know how to stay safe at the beach, in the paddling pool and in the bath. We learned that the most important thing to remember is to keep a trusted adult close by whenever we are in or near water.

New Nursery and Reception parents' meeting.

We held meetings for our new Nursery and Reception parents this week. Huge thanks to the PTA for sponsoring welcome packs for all our new Reception children.

Thank you!

to Jace and his nan who kindly collected a huge amount of resources for our Y2 D&T project!

VALUE OF THE MONTH

BE UNDERSTANDING

Y1 FALCONRY VISIT

Y1 had an amazing falconry visit this week and also went to Dog Hill Wood for a picnic and to explore!

CRICKET & FOOTBALL

Another cricket team took part in the Y5&6 tournament this week. A team of eight represented the school demonstrating huge skill on the field. They also showed great sportsmanship and values, encouraging each other at all times.

They had a great start, winning both of the opening matches. Unfortunately they lost too many wickets in the third and fourth games to finish 3rd in their pool. The team finished with a convincing win in the final play off game to finish 5th overall.

Our girls football teams also competed this week, following the inspirational talk from Mary McAteer.

Both teams played against Ashperton, with the 3&4 team winning and the Y5&6 losing. All played in great spirit and thoroughly enjoyed the games.

CELEBRATIONS

House Points

BUZZARDS Team points for week ending 21st June 2024: 410	KITES Team points for week ending 21st June 2024: 408
EAGLES Team points for week ending 21st June 2024: 285	KESTRELS Team points for week ending 21st June 2024: 533

DISCOVER MORE ABOUT THE RIVER WYE

Learn more about local environmental issues, collect
evidence and share your findings. This four day project will
include a canoe trip down the river wye where we will be
collecting water samples to take back and test. We'll then look
at what we've learned and assess the water pollution levels.
Lunches and transport to the Wye included.

Open to all 13-16 year olds, please book via our website:
ledburycommunityhub.org.uk

This project is made possible by the Royal Society of Chemistry.
